

SLIDE WAY OILS

High-tech products for your machine

QUALITY AND PERFORMANCE

STRUB offers a comprehensive range of high performance slide way oils for machine tools with horizontal and vertical slides.

- Excellent lubricity prevents stick-slip
- Exceptional load carry capacity - prevents wear under heavy loads
- Excellent cutting fluid compatibility. Does not emulsify

Slide way oils

Vulcoway ISO 32, 46, 68, 100, 150, 220, 320, 460	Slide way oils of the highest quality with very good adhesion even on vertical slides for the lubrication of bed and slide ways of modern precision machine tools.
--	--

DIN 51524 Part 2, Afnor, DIN 51502 CGLP, DIN 51517 CLP Tel 3, Cincinnati Machine P-47, P-50, P-53, Releases of the major machine manufacturers

Vulcoway + ISO 32, 46, 68, 100, 150, 220, 320	Special slide way oils of the highest quality for machine tools with horizontal or vertical slide.
---	--

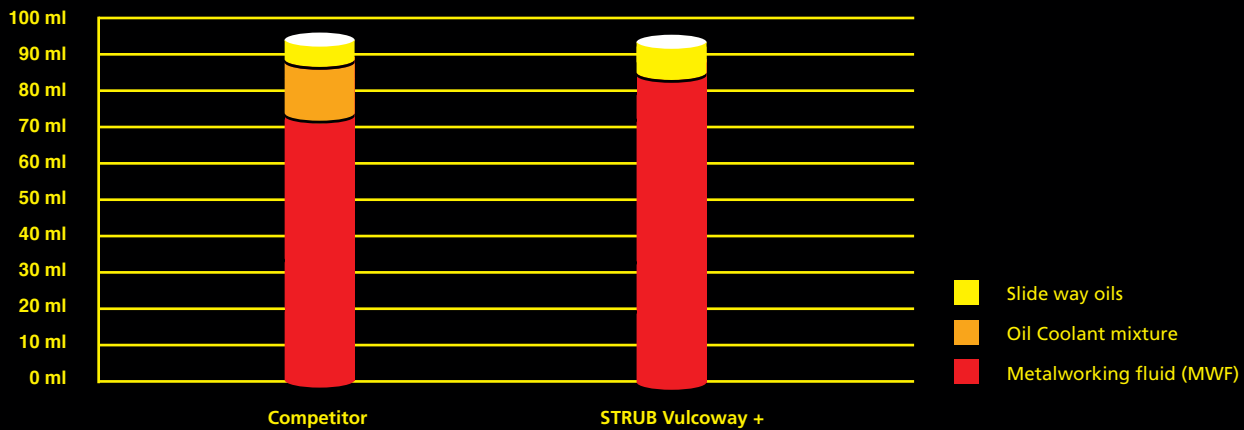

DIN 51524 Part 2, DIN 51502 CGLP, DIN 51517 CLP, Cincinnati Machine P-47, P-50, P-53, Releases of the major machine manufacturers

Vulcoway PF + ISO 68	Strongly demulsifying, phosphor free, slide way oil suitable for use when parts will be surface coated (chrome plated) after machining.
--------------------------------	---

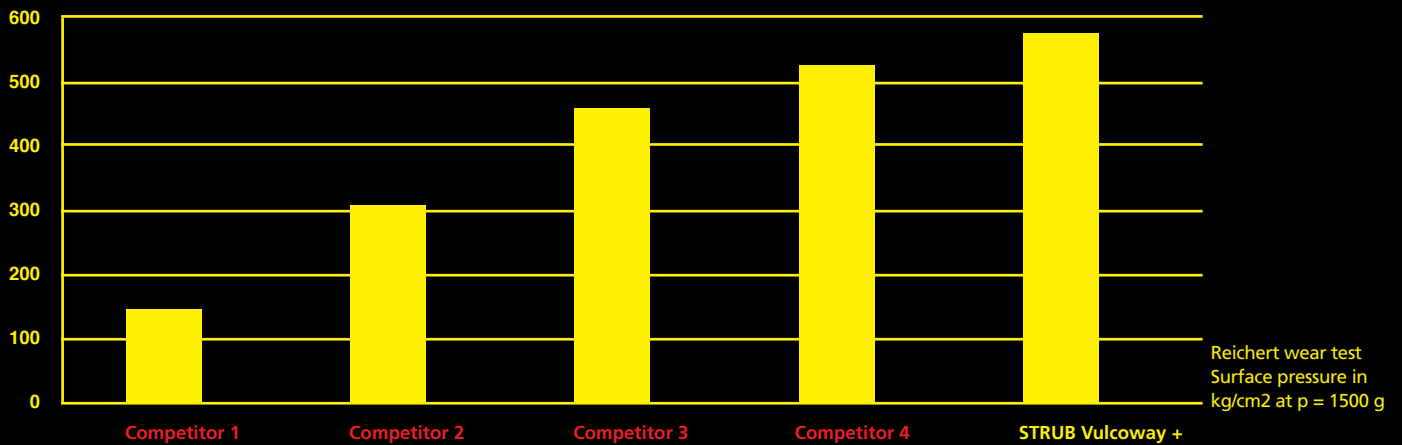

DIN 51502 CGLP, Cincinnati Machine P-47

Maximum load carrying capacity, minimal wear and excellent demulsifying properties

Tests have shown that the STRUB Vulcoway + series in terms of demulsifying properties over conventional slide way oils show a faster and clearer separation of oil.

Tests have shown that the STRUB Vulcoway + series has shown much higher load carrying capabilities than competitor oils.

Tests by the company SKC Gleittechnik GmbH have shown that the STRUB Vulcoway + series is «best in class» compared to 12 competitor oils in Terms of low friction.

STRUB + CO AG

Discover the World of Strub Lube

Since 1921, the name Strub has stood for quality, ecology and innovation in all areas of tribology. The basis of our success has been the principle of making use of our 90 years of tradition and experience in implementing innovative ideas. We aim to achieve high performance, reliability and environmentally-friendly solutions for our clients worldwide.

Our traditional family-owned company of Strub + Co. AG in the heart of Switzerland is an independent manufacturer of lubricants and technical cleaning agents. We have some 150 employees working in our business worldwide. Having branch offices and representatives in over 60 countries guarantees close proximity to our clients and the ability to react promptly to their specific needs.

Analysis

In order to guarantee the optimum performance and functionality of your lubricants, we analyse them on your behalf. The products are tested with the most modern laboratory equipment as to their chemical and physical properties.

Service

Our chemists and field-technicians stand ready to support you at all times. As your system supplier, we are close at hand and offer you our comprehensive customer support in respect of any questions or challenges you may face surrounding the topic of lubrication.

Tailor-Made Products

In the event that you are unable to find the optimum product for your application in our list of over 1,600 lubricant specialities, we shall develop a tailor-made product for you.
