

Information regarding the upcoming change of name and integration of ASEOL SUISSE AG into FUCHS SWISS LUBRICANTS AG on 28 November 2025

Dear Sir or Madam

We would like to inform you about the upcoming change of name and integration of ASEOL SUISSE AG into FUCHS SWISS LUBRICANTS AG. The new company will operate under the name FUCHS SWISS LUBRICANTS AG. The change is scheduled to take effect on 28 November 2025, subject to entry in the commercial register.

As part of the universal succession, FUCHS SWISS LUBRICANTS AG will continue all previous business activities and maintain the existing locations in Reiden and Steffisburg.

Nothing will change for you as a business partner – contact persons, processes, products and services will remain unchanged. This will allow us to pool our expertise and strengthen our presence in the Swiss market.

All existing contracts with FUCHS SWISS LUBRICANTS AG and ASEOL SUISSE AG remain valid. Product names, approvals, recommendations, lubrication schedules and customer-specific solutions will remain completely unchanged.

FUCHS SWISS LUBRICANTS AG is part of the international FUCHS Group.

From **28 November 2025**, you can reach us at:

FUCHS SWISS LUBRICANTS AG

Jungfraustrasse 8, CH-3613 Steffisburg

NEW: VAT number: CHE-103.516.602

The bank details you are familiar with and all contact details such as email, telephone, etc. will remain unchanged until further notice.

In order to keep the administrative effort for all parties involved as low as possible, we kindly ask you to respective systems and master data by **28 November 2025**, as from this date we will only be operating on the Swiss market as FUCHS SWISS LUBRICANTS AG.

For you as a business partner, one thing is particularly important:

FUCHS SWISS LUBRICANTS AG and ASEOL SUISSE AG will become FUCHS SWISS LUBRICANTS AG. Our goal: to keep our customers' world moving. Efficiently, sustainably, reliably. Today and tomorrow.

We look forward to continuing our business partnership.

Kind regards

Dr. Rebekka Drafz

CEO FUCHS SWISS LUBRICANTS AG
